

SimParc'07 Workshop

J.-P. Briot

SimParc Workshop 16-17/11/07

Welcome !

- Thanks !

J.-P. Briot

SimParc Workshop 16-17/11/07

Objectives

Methodologies and computer support for participative management of environment resources

- Share
- Compare
- Discuss

Expected results

- Better knowledge/Refine ideas
- Cooperation

J.-P. Briot

SimParc Workshop 16-17/11/07

Structure

- Workshop / Meeting group
- Not succession of talks
- Focus on process, experiences, problems, questions, not just on results
- Interdisciplinary public (not too technical)
- Half a day fully devoted to discussions
- Discussions during sessions

J.-P. Briot

SimParc Workshop 16-17/11/07

Program

- Friday 16 morning - SimParc Project
- Friday 16 afternoon - Projects on Participative Management of Natural Resources
- Saturday 17 morning - Computer Support for that
- Saturday 17 afternoon - Discussions and Recommendations

J.-P. Briot

SimParc Workshop 16-17/11/07

Friday 16 November

09h00-09h15 Welcome

09h15-09h30 Objectives of the Workshop (Jean-Pierre Briot - LIP6 & PUC-Rio)

1st Session - Presentation of SimParc Project

09h30-10h10 Presentation of the SimParc Project (Jean-Pierre Briot - LIP6 & PUC-Rio & Marta Irving - UFRJ)

10h10-10h50 Experience of the Management Council of National Tijuca Park (Sonia Peixoto)

10h50-11h10 Break

11h10-11h50 SimParc Role Playing Game (Gustavo Melo & Ivan Burstyn & Altair Sancho - UFRJ)

11h50-12h30 SimParc Computer Support (Eurico Vasconcelos - PUC-Rio & Vinicius Sebba Patto - LIP6)

12h30-14h00 Lunch

2nd Session - Experiences in Participative Management of Natural Resources

14h00-14h40 Companion Modeling for the Management of Land and Water in Protected Area of Periurban Catchment: the Negowat Experience in the Metropolitan Region of São Paulo (Raphaële Ducrot - CIRAD & USP)

14h40-15h20 Participatory Simulation: Computer Support Perspective (Jaime Sichman - USP)

15h20-15h40 Break

15h40-16h20 The TransAmazon Project (Pierre Bommel - CIRAD & UnB)

16h20-17h30 General Discussion

J.-P. Briot

SimParc Workshop 16-17/11/07

Saturday 17 November

3rd Session - Experiences and Prospects in Computer Support for Participative Management

09h30-10h10 The VirtualTeam Project - Computer Supported Role Playing Games for Training (Geber Ramalho - UFPE)

10h10-10h50 Mixing Human and Virtual Players (Diana Adamatti - UCS)

10h50-11h10 Break

11h10-11h50 The ExpertCop Project - Computer Support for Training Police Teams Strategies (Vasco Furtado - UNIFOR)

11h50-12h30 Issues in User Evaluation and Interface with Computer (Simone Barbosa - PUC-Rio)

12h30-14h00 Lunch

4th Session - Discussion and Recommendations

14h00-15h30 General Discussion

15h30-15h50 Break

15h50-16h50 Recommendations

16h50-17h00 Closing

J.-P. Briot

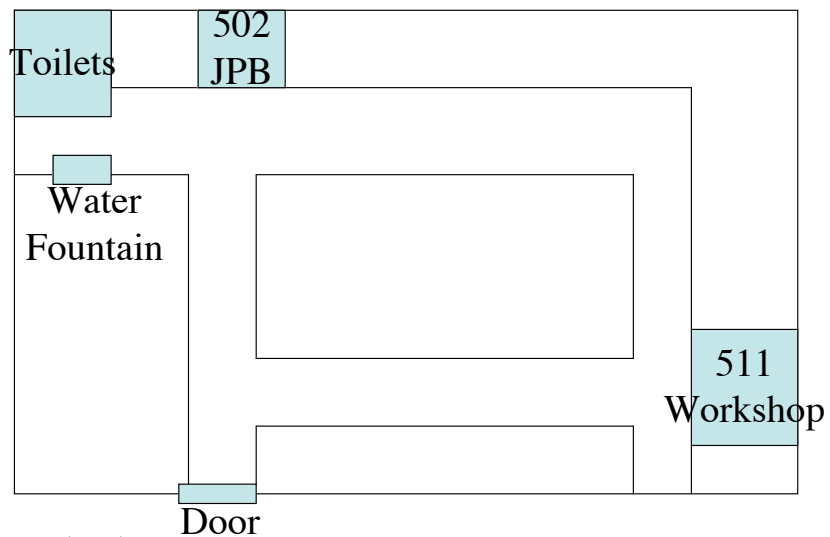

SimParc Workshop 16-17/11/07

Resources

- Toilets

- Water

- Tel : 9377-5454

J.-P. Briot

SimParc Workshop 16-17/11/07

Refunding

- Keep all receipts
 - Flight tickets
 - Flight boarding passes
 - Receipts of hotel
 - *Receipts of lunches/dinners*
 - *Receipts of taxis*
- Send me
- Refunding through bank account
